FEMALE FOUNDERS ACADEMY Funding & Financing

04.12.2024 | 14:00 – 18:00
NOI TECHPARK, SEMINAR ROOM 2

Only 5% of European venture capital goes to women-led founding teams – we urgently need to change this!

Join us on 4 December 2024 at the first edition of our FEMALE FOUNDERS ACADEMY: Funding & Financing, where we will explore ways to do just that – together with female investors, business angels, public funding experts and successful female entrepreneurs. We will talk about investment funds for women (co)founders. We will present national and European funding opportunities. And we will discuss which approaches are the right ones to overcome the gender investment gap.
