FUTURE FOUNDER DAYS

20-21 February 2025

NOI TECHPARK, SEMINAR ROOM 3

Thinking about starting your own business? Join us for an inspiring two-day journey through the start-up ecosystem at NOI Techpark: your chance to gain practical insights and skills, explore entrepreneurship, learn about team building, and network with like-minded peers.

During the two-day workshop, you will collaborate with other aspiring founders to develop an idea, identify potential challenges, define a target market, and present your work to the incubator team and fellow participants. You'll gain valuable insight into what it's like to be part of the vibrant NOI Community, meet some of the start-ups currently incubated in the NOI Start-up Incubator, and witness great start-ups in an exciting Storming Pizza Pitch event, held in collaboration with H-Farm, on the evening of the first day.
